

# FINANCIAL REPORT 2023

The Path to Better Mental Health  
[www.outdoorsinc.org.au](http://www.outdoorsinc.org.au)  
(03) 9417 2111

The financial year of 2022-2023 was marked by significant growth and positive outcomes across the organisation. Out Doors Inc. experienced a period of recovery and expansion of services to Brimbank area, leading to improved financial performance. Several key factors contributed to this positive trend, including increased participant attendance, additional carer respite funding from DFFH and strategic stakeholder engagement initiatives.

- 31% increase in revenue
- NDIS revenue accounted for 35% of total revenue
- Government funding made 60% of the total income
- Generated income of \$2m with a surplus of **\$6,080**

<b>Balance at 30 June 2023</b>	<b>857,949</b>

# Notes to the Financial Statements year ending 30 June 2023

## 1. Statement of significant accounting policies

This report includes the financial statements and notes of Out Doors Inc., which is incorporated in Victoria under the Associations Incorporation Reform Act 2012. This is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Australian Charities and Not for Profits Commission Act 2012 and the Associations Incorporation Reform Act 2012 (Victoria).

### Statement of compliance

The Council has determined that Out Doors Inc. is not a reporting entity because there are no users dependent on general purpose financial statements. The financial report is a special purpose financial report which has been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

These financial statements have been prepared in accordance with following Australian Accounting Standards:

AASB 101 Presentation of Financial Statements

AASB 107 Statement of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1048 Interpretation of Standards

AASB 1054 Australian Additional Disclosures

### a. Basis of measurement

The financial statements have been prepared in accordance with the historical cost convention, except for: the fair value of an asset, other than Land and buildings, is generally based on its depreciated replacement value; and other financial assets, which are measured at fair value through profit or loss. For the purpose of fair value disclosures, Out Doors Inc. has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value. The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

### b. Property, plant and equipment

All Property, plant and equipment are measured initially at cost and subsequently revalued at fair value less accumulated depreciation and impairment. Where an asset is received for no or nominal consideration, the cost is the asset's fair value at the date of acquisition. Out Doors Inc. recognises as plant and equipment items that meet the recognition criteria set in AASB 116 Property, Plant and Equipment. Plant and equipment are initially measured at cost and subsequently revalued at fair value less accumulated depreciation and impairment. The fair value of plant and equipment is generally based on its depreciated replacement cost. The fair value of an asset, other than land and buildings, is generally based on its depreciated replacement value.

### *Depreciation*

Depreciation is based on the straight-line method of calculation. It is provided on all fixed assets so as to write off the cost of the assets over their estimated economic lives.

The depreciation rates used for each class of depreciable asset are:

<b>Class of fixed asset</b>	<b>Depreciation Rate</b>
Motor vehicles	20 - 25%
Furniture and fittings	15 - 25%
Computers and Office Equipment	33 - 40%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are recognised immediately in profit and loss. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

### *Impairment*

At each reporting date the Council assesses whether there is objective evidence that a financial instrument has been impaired. If any such indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

### **c. Employee Entitlements**

Provision is made for the Organisation's liability for employee entitlements arising from services rendered by employees to the date of the Balance Sheet, and all entitlements have been measured at the present value of the estimated future cash outflows to be made for those entitlements. Contributions are made by the Organisation to employee superannuation funds and charged as expenses when incurred.

### *Other Long-Term Employee benefits*

Provision is made for employees' long service leave and contingent liabilities not expected to be settled wholly within the 12 months after the end of the annual reporting period. The long service leave benefits are measured at the present value of the expected future payments to be made to employees. The organisation's obligation for long-term employee benefits are presented as non-current provisions in its statement of financial position.

### **d. Cash**

Cash in the statement of cash flows includes cash on hand, at banks, and on deposit.

#### **e. Revenue and Other Income**

Revenue comprises of government grants, donation and other income. Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. When grant revenue is received whereby the organisation incurs obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt. Donations are recognised as revenue when received. All revenue is stated net of the amount of goods and services tax.

#### **f. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivable and payables in the Balance Sheet are shown inclusive of GST.

#### **g. Income tax**

Out Doors is a not-for-profit organisation and is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

#### **h. Inventory**

The amount of inventory carried by the organisation is in the form of printed materials is of an insignificant value and is used almost entirely for internal purposes. Accordingly, inventory is not recorded in the balance sheet.

#### **i. Contingent Liabilities**

Provision for severance pay which are not expected to be settled in the next 12 months, are used to mitigate risk for any future downturn due to loss in revenue and/or government grants.

#### **j. Provisions**

Provisions are recognised when the organisation has a legal obligations or plans to achieve the organisation's mission, as a result of past event, for which is probable that an outflow of economic benefits will results and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to at the end of the reporting period.

Allan Davey  
Chairperson

Dated: 03/08/2023

John Marshall  
Treasurer

Dated: 3/8/23

## Auditor's Report

### Independent Auditor's Report to the Department/s\*

#### Scope

I have audited the attached Annual Financial Indicators Statement (FIS) for Out Doors Inc. for the year ended 30 June 2023.

Out Doors Inc.'s directors or equivalent are responsible for the preparation and presentation of the FIS.

The FIS has been prepared to show accountability for the funding received and not for any purpose other than that for which they were prepared. I have conducted an independent audit of the FIS in order to express an opinion on it, as required by the Department/s.

My audit has been conducted in accordance with applicable Australian Auditing Standards issued by the Auditing and Assurance Standards Board to provide reasonable assurance as to whether the FIS is free of material misstatement. My procedures included an examination, on a test basis, of evidence supporting the amounts disclosed in the statements. These procedures have been undertaken to form an opinion as to whether, in all material respects, the FIS is presented fairly in accordance with the requirements of the Department/s.

The auditor's opinion expressed in this report has been formed on the above basis.

#### Auditor's opinion

In my opinion, the attached Annual Financial Indicators Statement (FIS) for Out Doors Inc.:

- i. presents fairly the transactions of Out Doors Inc. for the year ended 30 June 2023;
- ii. has been extracted from the audited financial report of Out Doors Inc. which:
  - a. has been prepared on the basis of accounting policies consistent with applicable Australian Accounting Standards issued by the Australian Accounting Standards Board;
  - b. has a qualified auditor's opinion; and
- iii. is GST exclusive for the Income Statement.
